Happy 4th of July Jeremiah! Mommy loves you so much. I miss you so much and I wish you were here with us.

Erica Garza - July 04, 2016 at 07:11 PM

Hey my previous baby. I love you so much and Mommy is here defending you and protecting you here on earth. Lori went to jail today and the grand jury chose to proceed with charges for you baby. There's so many people who love you and support your life Mijo. I'm sure this all sounds so small compared to heaven and all of Gods glory you are getting to experience right now. Just dropping in to tell you I am always your Momma and I will always defend and protect you. The most important thing you own is your name. I wish I could have taught you that, but at least I can show you. Your life stands for something Mijo. I love you. Come visit me please. I miss you so bad.

I love you so much Jeremiah. I miss you everyday. Your brothers Andrew and Christian say they love you and miss you too. Thank you for visiting me in my dreams. I love it when I get to hold you and play with you in my sleep. I get your feathers all the time and I know they are from you. I feel your love always and I know you feel my love too. You're so previous and perfect in every way. I can't wait till God calls my name and I get to be with you again for eternity. For now, I know God has plans for me and you're my motivation. Mommy loves you so much.

New picture of you that Grandpa Bobby shared with me. The holidays came like a fog, blurry and weighted. And then I see this beautiful photo of you that I had never seen before. The timing of your visits are perfect and you know exactly what to bring to ease our broken hearts. I miss those warm "super-sized" cheeks. XOXO's Grandma

Our precious little angel, I wish we would have had the chance to meet. I wish I had been able to hold you and look into your beautiful Blue eyes to hear you laugh, cry, to have been able to change your diaper and the many things I missed out on. This grandma loves you very much, I see how much you resemble your Daddy Issac,Who is having a very hard time with you leaving this earth I know you can see the tears he sheds daily for you and how heart broken he is you were his only child who he had prayed to have for many years, all he wanted was to be your dad and watch you grow up . And I know you would have grown up to have a gentle and caring heart just like your dad as many call him the gentle giant. Just know that you will always be in our heart and wish we had memories of you to hold onto but until we meet in heaven I pray you are having fun in heaven with your grandpa David and great grandpa Fernando. I love you always my precious angel your (MERRY FIRST CHRISTMAS) Your Grandma Connie, 12/24/15

Your very special wreath from Cottage of Flowers from Grandma and Grandpa Bobby. Mikki and Lenora created this with love and graciously gifted it to You. Those days were heartbreaking, but then acts of kindness like this revealed that we were not alone. Every person that God placed in our path gave us comfort. Mi Amorcito, Grandma loves You.

It's Grandma again: Yes Baby, Your Mommy received the little feather that you sent her yesterday. Mommy, Grandpa Bobby, Me, Uncle Austin, Aunt Kali and cousins Aiden & Aubrey and your Bubba Christian were talking around the patio table. When I say talking, you know what that means... everyone talking at the same time and kids squealing louder than the one before. Suddenly your Mommy notices a feather slowly hovering above us, suspended in mid air waiting until she opened her hand. She said, "Hello Baby, come here." Your presence hushed the noise, and we followed your flight onto the palm of her hand. What a graceful baby you are. My heart aches for many moments that will never be, like getting to encourage you to your first steps. But, you delivered that "first" in the most eloquent and heavenly way. It was beautiful. Thank You for the visit. XOXO's

Hello Sweet Jeremiah, this is Grandma. This video is when you came to visit us as an angel to give us comfort. Your brother Christian was playing with your soccer ball that was on your wreath. I can clearly see your little wings flutter around the room, so happy and playful. Thank You baby, I miss your chubby cheeks and giggles. I long to feel your soft face and hold your tiny hand. Missing you is a constant yearning that I welcome, it brings me close to you and that's where I find comfort. I love you and miss you. Visit me in my dreams where I can hug you. The tree is decorated with twinkly lights and they summon your presence.
