January 29, 1938 - June 20, 2018

Janice Jane Jones was born to the late Leon and Thelma Richardson on January 29, 1938 in Hobart, Oklahoma. She went home to be with our Lord, June 20, 2018.

Jane is preceded in death by her parents; husband, Phillip and son, Wesley.

She is survived by her daughter, Janice Wilson and husband, Kevin; grandson, Alex, all of Odessa.

Janice, known to us as Jane, was a wonderful person who was committed to the service of others. She was known for putting others above herself, and wouldn't just tell you, but show you her love.

She graduated from the University of Oklahoma School of Nursing in 1959 and her wonderful ways extended to her patients. Jane loved being a nurse. Throughout the years, she had the opportunity to work with some amazing people, and loved to share in their lives. She finished her working career at the Family Clinic in Tatum, New Mexico.

Jane met the love of her life, Phillip Jones on April 20, 1962 and they were married forty-nine years until his death. To their union was born two children, Wesley and Janice.

She was an avid OU fan and loved her Oklahoma football! She was a devoted grandmother to her only grandchild, Alex, and delighted herself in attending as many of his events as possible.

Jane enjoyed making things and sewing and had a love for gardening. She would put her lipstick on and happily head outside to turn the dirt in her garden! She always had a smile.

A memorial service to celebrate the life of Jane will be held Saturday, June 30, 2018, 10:00 a.m. at the First United Methodist Church in Tatum, NM.

It is the request of Jane's family that all who attend do so in bright attire as she loved color! In lieu of flowers, donations can be made to the First United Methodist Church in Tatum, NM or to the Alzheimer's Association.

“ Janice, Your mom was one of the sweetest persons I have ever known. She was the very best nurse to all the people in Tatum and was always kind and willing to help anyone in need. I appreciate having her as a friend. She was a valuable part of the community I am sorry that disease diminished the last part of her life , but know she was loved by everyone she was in contact with. She will be deeply missed. I am pleased she had you to go with her on the last part of her journey.
