

Thomas DeWayne Newton

September 23, 1970 - January 23, 2017

Thomas DeWayne Newton, Sr., 46, of Greeley, Colorado was born on September 23, 1970 in Ravenna, Ohio to Roy and Patricia Newton. He passed away on Monday, January 23, 2017 in Midland, Texas while on a business trip. At a young age, Thomas' family moved to Denver, Colorado where he graduated from George Washington High School in 1988. Among many things, Thomas enjoyed sports, music, dancing, singing, traveling, and laughing. A true passion and talent of his was the sport of basketball. His skills appeared to be effortless and to watch him on the court was truly mesmerizing. He was also very passionate about his family and friends and he never missed a moment to let them know how much he cared for and loved them. But above all else, Thomas loved God and his spiritual journey has left an imprint for those who were fortunate enough to witness his growth.

A hard worker with a dynamic personality, Thomas had the gift of touching the lives of everyone in his presence. To say that he could put a smile on your face in a matter of seconds is not an exaggeration in the least. With his loving spirit and zest for life, he was a great example of living life to the fullest and without fear. He was a great father, friend, brother, and son. He will be greatly missed!

He is survived by his mother, Patricia Newton of Redlands, CA; one son, Thomas Newton, Jr. of Wellington, CO; one daughter, Portia Cook of Wellington, CO; four brothers, Roy (Christina) Newton, Jr. of Denver, CO, Steven Newton of Burbank, CA, Jamie (Celissa) Newton of Denver, CO, and Ron (LaToya) Newton of San Antonio, TX; two sisters, Lisa Newton of San Diego, CA and Diane Newton of Redlands, CA; one grandchild, Sydney Taylor of Wellington, CO; three uncles, Charles Howard, Robert (Jackie) Howard, and Gary (Debbie) Howard and one aunt, Kay (Sidney) Wise. He is also survived by half-siblings, nieces, nephews, great nieces, a great nephew, and numerous cousins.

He is preceded in death by his father.

“ oh Tommy, I knew all my family really loved and cared for you
My other daughter Shawna tonight told me she had a crush on you-how funny-cute-huh
One sweet morning and hopefully a soon coming of Jesus Christ we'll see that sweet smile
and be able to chat about old times and the big hugs, again
Love you Hun and you'll always be in our prayers and hearts; as a memory of you we lit
that green candle for you

“ oh Tommy I have missed your kindness to me, Cheri & Shawna; we loved having you over to the house.
Doing special things after sundown Saturday eve.
I talked to Cheri and she remembers you taking off the heads of her Barbie dolls-so funny but that was you-quite the tease but in love.
You were quite the cut-up but we still loved you

“ So very sorry Patty, tried to reach back to you but wasn't able to; love you Hun and God bless. Sure Miss your friendship and smiles. It's so hard to loose a loved one. At one point I got hard because of so many in a 13 month cycle. Thank goodness for the Good Lord Sharon Nieb as every one back then knew me

“ Thomas was a wonderful son, brother, father and cousin. I remember all the times we spent together when we were younger, playing either on Infirmary Rd. or in Parkside. We had lots of fun together, and he will be sorely missed. He's home now, with our Heavenly Father. No more pain, no more worries. Although he will be missed dearly by his earthly family, I believe he's having a wonderful time with our family up there.

To Aunt Patty and the rest of the family, I love you with all my heart. I wish I could be there during your time of need. Just know that my family is thinking about you, and hope that we can all be together soon.

Love always, Denise (Neicey), Jordan and Norwood Gwynne

“ My memory of Tommy is a from the distant past...see, long ago (if my old memory serves me well, circa 1978-79) this mystical, magical, able to do amazing feats of athletic skill, family of seven kids moved to a house on Locust St in Denver. When I say mystical, I mean...they did some odd things...like disappear on Friday evenings and re-appear Saturday night. As we got to know them better, we understood that their love and respect to their faith, mother and family made them strong and gave them the special powers each possessed. Yes, I sound like I'm describing the Avengers...or something, but, see for all the neighborhood kids that gathered on the street along Locust St to play street football, basketball or stickball, the Newton kids were like superheroes. Each, an amazing athlete and a faithful friend.

Tommy, little Tommy, the youngest of the boys.....man.....did he look up to his older siblings....however, man, was he competitive.....well...they all were with each other, but, see, that happens with superheroes sometimes. Even being the youngest in the game of street football, he would not make excuses...he would play sooo hard. One day, we were on the same team, we were getting beat...well, see, Roy was on the other team...so, yea, of course we were getting beat. Tommy, little Tommy said, I want to be the QB, we all looked at him and said.....yea....sure, why not. Tommy got the snap and took off and dodged and juked and sprinted for a TD (intersection at Ohio Ave). Well, little Tommy was no longer little Tommy, he was Tommy. That little boy, showed all of us what he was made of, yes of course he had the Newton gene and it was not a surprise, however, he was not longer looked at as a crutch last pick of the youngest kids, he was a player, a competitor, an amazing athlete.....and of course.....like all the Newton kids, an amazing friend. His smile and his voice is forever imbedded in my memory and I am a lucky human being for having a Tommy Newton and most of all a Newton Family chapter in my life.

My heartfelt sorrow, prayers and thoughts are with his family and of course his mother, Ms. Newton. I love you all, Timuchin

“ To My Newton Family;

I'm still in disbelief of Tommy's passing. We know that God doesn't make mistakes and it's hard for me to wrap my mind around this. I will always cherish the moments I did share with Tommy when he visited us in Dayton, Ohio. Such a warm, joyful, loving man. He always exude an upbeat attitude that would lift anybody's spirits up. I will truly miss his smile and laughter and his kind heart. I know Tommy loved his family near and far. I will continue to pray for the Newton Family, especially his Mother, my Aunt Patty and his children. I know God is standing by and he's with you all the time. I will pray for God's loving arms to encamp you with is love and Peace. He will see you thru this, just take one day at a time. I'm going to miss seeing you Tommy on this side of the river and pray one day that we shall meet again. Much love to my FAMILY, Cynde

“ The last time I saw our sweet Thomas was on Christmas Eve 2016. He embraced me with his loving warm greeting and memorable 'Hello, Mother.' He warmed my heart each time with those two powerful words...'Hello Mother' as only He could say! He gave me a new vacuum cleaner that was light and easy to use. He and Johnny put it together by our Christmas tree that night. Our family was complete that Holy night. On Christmas Day, Tom & I exchanged what would be our last messages on Facebook. We knew he would be leaving on a business trip after the New Year. My heart of hearts felt he should not go...not this time! So, I consoled myself with sending him love & blessings
