

## Adriel Isaias Melendez

May 22, 2025 - May 22, 2025

Our hearts are heavy yet full of love as we honor the life of our beloved son, Adriel Isaias Melendez, who was born and passed away on May 22, 2025, at Odessa Regional Medical Center in Odessa, Texas.

Though Adriel was with us only for a short time, the joy of his arrival filled our lives with hope, dreams, and deep affection. He was so very loved from the moment we knew of him, and his presence—even if just for a few hours—was a gift we will treasure forever.

Adriel was born to his loving parents, Isaias Sotelo Melendez and Alexis Victoria Patino, who awaited his arrival with open arms and hearts full of anticipation. He is also deeply missed by his big sister, Adelaida Yatzari Melendez, who will forever carry her baby brother in her heart.

Adriel is preceded in death by his great-grandfather, Ismael Taboada, who surely cradled him in Heaven with gentle arms and grandfatherly love.

Though Adriel's time with us was brief, his soul touched ours in a way that will last forever. He will always be our beautiful baby boy, our little angel, and his memory will forever live in the quiet moments, in the soft winds, and in the hearts of those who loved him beyond measure.
