“Grandma, I thank God everyday for your love in my life, your stewardship, provision, countless prayers and for loving me in every stage of life. I thank God for you, for the time He gave us to love and cherish you. I truly would not be the woman I am today if it weren't for your spirit. I would have never known forgiveness and kindness if I hadn't had the honor of walking this life out at your side. You are and always will be the love of my life, my best friend, heart of my heart, and the light of my life. Thank you grandma for your unwavering love and protection, for always SEEING me for me and for holding space so that I could have a place. Although this world makes no sense without you, I trust God knows what is best for us. I love you Always, For forever and all the days after, in this life and the next.

“ As we lay you to rest and give you to god , I remember the times you’ve shared your faith with me that it’s in gods hands now. My sweet grandma, you lit up the room any time your presence was around. You’ve showed me that the sky’s the limit and to chase my dreams for you. You were my second mom , my heart and soul. You’ve made me into the person I am today showing me to never be afraid to love anyone because god loves all his children. I love you with all my heart grandma, never forget I will always be your babygirl forever.
