

Alaia Emmalynn Quiroz

March 15, 2025 - March 15, 2025

Alaia Emmalynn Quiroz was born on March 15, 2025, at Odessa Regional Medical Center in Odessa, Texas, and spent two precious hours in the loving arms of her family before passing peacefully the same day.

In her brief time on earth, Alaia knew nothing but love. She was cradled, kissed, and cherished by those who had waited so eagerly to meet her. Her presence, though fleeting, brought immeasurable joy and left a lasting imprint on every heart she touched.

Alaia is the beloved daughter of Martin Luis Quiroz and Glenda Veronica Gomez. She is survived by her devoted parents; her siblings, Adelina Martinez and Ayden Quiroz; her grandparents, Maria and Pedro Gomez, and April Hernandez; and many other family members who carry her memory with tenderness and devotion.

Though her time here was short, Alaia's life was full of meaning. She taught her family about love in its purest form, and she will be forever remembered as a beautiful soul who brought light, even in the most delicate of moments.
