“ I am so sorry for your loss. I worked with Alexis back in 2009 at de Zavala and she wore her heart on her sleeve. She was such a sweet girl! I'll never forget how funny she was and how nice she was. My heart goes out to yall. I lost my brother at 23 10 months ago and it's a pain that still lingers. So the siblings of Alexis, stay strong. The first year will be very difficult but if you surround yourself with family and friends it will get better. God bless yall!
