“ My heart is shattered in your passing. We have been friends since you were 5 years old. We used to do a lot together. From roller skating every weekend to making biscochos. Your thriller days and Guns N' Roses sweet child of mine. Your visits in El Paso and Peter piper pizza. So so many memories. You were an amazing friend and an incredible woman. You are missed sooooo much. Heaven definitely gained an beautiful soul.

“ Alice was such a beautiful soul and loved helping people. I will remember that most about Alice. She loved helping people. I was blessed to serve as Alice's Regional Director for the past 3+ years and I was always greeted with a smile when I arrived at the office. She had such a kind and gentle spirit and will be tremendously missed. Heaven gained an angel for sure. Rest Easy Alice. You will be missed.
