In Loving Memory of Annalia Jewel O'Neal

With heavy hearts, we announce the passing of our beloved Annalia Jewel O'Neal, who was born into the arms of angels on April 2, 2024, at Midland Memorial Hospital in Midland, Texas.

Although Annalia's time with us on Earth was fleeting, her presence brought an abundance of love and joy to her family. Born to Jewel and Jacqueline O'Neal, Annalia was a precious gift, cherished from the moment she entered this world.

Annalia is survived by her devoted parents, Jewel and Jacqueline O'Neal of Midland, Texas, who held her close in their hearts during her brief stay. She leaves behind her adoring sister, Jaide Jean O'Neal, who eagerly awaited the opportunity to share sisterly love and companionship.

Annalia's memory will also be treasured by her maternal grandmother, Cecilia Tinoco, and paternal grandparents, Gary and Sonya O'Neal.

Though Annalia's time with us was brief, the impact of her presence will be felt forever.

As we mourn the loss of our dear Annalia, we find solace in the knowledge

that she is now cradled in the arms of angels, surrounded by boundless love and eternal peace.

May Annalia Jewel O'Neal rest in eternal peace, forever cherished and never forgotten.
