“ *How could I share only one memory of you? I have 33 years worth. You were the best man I've ever known. You were an amazing friend to me and everyone else you knew. You were a wonderful father to our children and every other child that was in your life. You were a great son and loved your mother dearly. Alba couldn't have asked for a better grandpa than you. To me you were the other half of my soul, my one, my all. I will always be your girl, just like I have been since I was 12 years old. I will strive for the rest of my life to try and make sure I am good enough to go where I know you are now because I can't wait to hold you again.*
