“ I miss you so much. Kam talks to you often and it makes me so happy to know you're around and protecting him. After everything that you warned me about, especially the deceit, it's all happening and I'm trying my best to make you proud. I wish I would have listened.

You would be telling me "I told you so" right now if you were here to see how everything is coming out

I miss your (off key) singing, our tickle fights, and our traveling games. Oh! And bob seger/pinball/bonfire nights.

I'll be seeing you around, old man. Come visit kam as much as you want "P-paw"

I love you and miss you everyday.

Love,

Your "tatter head"

P.S. my hair is longer than yours ;)
