“ I'm so sorry your going through this . We just want you to know that we love you and we're always a phone call away . That sweet baby is in the arms of The Almighty and is being given more love than we could even understand. Stay strong and lean on God through it all. He will never fail you.

Nana loves you sweet angel. Wish I could have made it there to meet you. Uncle Zachary was waiting for you. I love you and until then I meet again, your Nana's #7.
