“ *I met Nana after my daughter, Kylie, was born in March 2006 when I started looking for a daycare because I am a teacher and had to go back to work. When I met her and Brandi, I knew it was a perfect fit! When I dropped her off every morning, I left knowing that she would be loved and spoiled while I was at work. I never questioned leaving her there. Kylie stayed at Nana's until she was 4. Nana taught her so much and I'm so glad I found them! Even after Kylie left, I still kept in touch with her and Brandi up until now. I am so blessed to have known her. Nana will be missed and remembered by many!! RIP Nana ❤️*
