“ Bill was my father in law for 22 years. He is also my kids grandpa. He's gonna be missed dearly. I remember going on my very first fishing trip with him. :(

“ I remember growing up with Bill and his family. He was always so nice . He never raised his voice or ever seemed upset. I liked being around. Some of my fondest memories are the fishing trips we took with him. He always made them fun and he always caught lots of fish. Not little ones either. He was such a great dad. He loved his kids so much and it was obvious to anybody on the outside looking in. He loved his nieces and nephews. He was always welcoming and loving towards me like I was one of his kids. Fly high uncle Bill. I am going to miss you so much. I love you.
