“ Thanks to Uncle Bill, I was introduced to a horse for the "FIRST" time in my life. In 1976, I was about one year of age, and from the expression on my dad's face, he is thinking, "Yeah, you can visit the horse, but you can't have one!"

“ Today may you find comfort, for God is present to walk with you through this difficult time of loss. May you find peace, for God is present to care for your deepest need. May you find hope, for God is present to assure you of His guidance in the days ahead. There are so many tender ministries of the Lord to our lives, but it is in the time of loss that we discover the deepest meaning of His tenderness.

“ Our beloved ones depart, but never their love and never the lessons they've taught us, never their guidance, never their blessings, never the joys they've brought us. Though we try to prepare, we are never prepared enough, but there is a compassionate God in heaven . . . Who sees, Who cares, Who comforts. May you feel His presence as you grieve the loss of Uncle Bill.
