“ Corey....I just learned of Bonnie's passing. Andy & I send our love and condolences. Thinking of y'all~ If anybody ever lived a full life and enjoyed it, it was your Mom. We've been life-long friends and I mourn with you. We have lots of good memories of her. You told me about her pulling y'all behind her car in the snow when you were kids.....every time I think about that, I smile, because Bonnie was not afraid to color outside the lines! We always called her BonFire....because that was a perfect description of her. May your memories comfort you. Please give your brothers my condolences.
