

## Brandon Shelby Henley-Massey

May 15, 1991 - September 9, 2025

Brandon was born in Seguin, Texas on May 15, 1991, and passed away in Midland, Texas on September 9, 2025.

We are deeply saddened in the disbelief of Brandon's unexpected passing. He was 34 years old. Brandon graduated from Greenwood High School in 2009, and went on years later to receive his Bachelor's degree in Business Management and also his Associate degree in Computer Science.

Brandon was full of life and lived it to the extreme. He was known for being a problem solver in all aspects of life. He had a heart of gold, always willing to lend a hand to anyone he met. Especially with children and the elderly, he had an infectious laugh you couldn't forget. At times he could be rough around the edges, but in all he was a big ol' softy. Anyone who knew Brandon will remember his incredible kindness and the love he had for his family and friends.

He was passionate about his work in the oilfield and was oriented to the details of all of its working mechanisms.

Brandon is survived by his parents, Polliann and Woody Massey; his sister, Brittany, and brother-in-law, Eric Wallace; his children, Kayson and Tyrsson Massey; his wife, Alexandria Aycock-Massey; his nephews, Braiden and Brian

Wallace; and many other relatives and friends who will miss him more than words can say.

He is preceded in death by his daughter, Ostara KilynnJo Massey, and his grandparents, Donna and Stanley Burton.

A viewing will be held on Friday, September 26, 2025, from 12:00-2:00 PM, followed by the funeral service at 2:00 PM.
