

Brett Coby Pina

September 22, 2000 - September 12, 2012

Brett Coby Pina “The N00b” was born to Amey Bitolas Pina and Jacob Pina, Jr. on September 22, 2000. He passed from this life on September 12, 2012. He was 11 years old.

Brett is remembered by his family as happy, always smiling, lovable, caring never meeting a stranger. He was funny, a comedian making others laugh. He was an adventurous gamer and enjoyed passing the time playing X-Box, his most favored games being Modern Warfare 3 and Halo. Brett loved his sisters and brother as well as his cousins and he was protective of those he cared about. Throughout his time on earth he was a fighter, possessing a will to survive through his struggles.

Though he is gone from our sight, he will live forever in the hearts of those of us left behind to cherish his memory. It is not in his death we will dwell but instead in the memory of his smile, his laughter and his love. We are grateful for the days we were given with Brett, grieved by the days we no longer have but take comfort in knowing we will see him again, healed and whole.

Preceded in death are his paternal grandmother, Mary Helen Pina and maternal great-grandfather, Jose Bitolas.

Left to cherish his memory are his mother, Amey Bitolas Pina of Odessa,

father and step-mother, Jacob, Jr. and Yalet Pina of Odessa, grandparents, Manuel and Glinda Bitolas of Odessa, grandfather, David Pina of Odessa, great-grandmother, Carmen Bitolas of Odessa, great-grandparents, Jose and Maria Pina of Rankin, brother, Jacob Pina, III of Odessa, and sisters, Kayla and Kaydance Pina of Odessa.
