

## Briseis Rose Beseril

October 27, 2024 - October 27, 2024

Briseis Rose Beseril was carried in love and left this world too soon on October 27, 2024, at Midland Memorial Hospital in Midland, Texas. Though her family never had the chance to hold her in their arms, she will forever be held in their hearts.

Briseis was the cherished daughter of Selina Martinez Villafranco and Manuel Ruben Beseril Jr., and beloved sister to Christian Ramirez, Josiah Beseril, Jeremiah Beseril, and Alizae Ramirez. Her brief presence has left a lasting mark on all who awaited her with love.
