“ *Dear Kylie and Ben and Maddy and Aubree. Our sweet little Caden was too good for this world! He was sent here by a loving Heavenly Father to receive a body. He was then taken back by Heavenly Father to dwell with Him! He will be waiting for his family to come and dwell with him, where he can still be raised by his loving Mother and Father and two sisters! He now knows who you are. He will be watching over you and spending a lot of time in your hearts and patiently waiting until he will see you again! It is hard for him to wait and to be without you for now, but he knows it will be worth the wait. He knows how hard it will be for you also and he wants you to have comfort knowing that he is in a wonderful place and that you will all be reunited once again. This is what the Gospel of Jesus Christ teaches us and I testify to you that it is true!!! I love you all so very much and pray for your comfort and blessings every day! With all my love for you and sweet little Caden!*
