Carl Marsh was a great dad and good friend and son. His neighbors say they knew if they needed anything he would come to help them and they even felt safer with him near. We knew dad always had our back and we could call him anytime and we knew he was very dependable to give us help. We never wondered if he loved us. He taught us to have a great work ethic and volunteer to help those in need. He was an over the road salesman who owned his own business and helped many people with their needs and became their friend as well. His presence will be missed.

Carl was born on May 13, 1953 to Carl and Dorotha Ellen (Abney) Marsh in Brownfield, Texas. ^[1]_[SEP]He is survived by two children, Michelle Lee Sorensen (Sam) and C. James Marsh Jr. (Amber) and four grandchildren, Hadley Sorensen, CJ Sorensen, Wyatt Sorensen and Madalyn Marsh.
