“ Aaron you are in my prayers. I pray that God will give some peace at this tough time in your life. Hold on tight to the love that is all around you. We are all here for you whatever you may need. You are a strong, kind and loving young man. I just know that you got that from your mom.

“ Aaron, you are in my thoughts and prayers, hold tight to the wonderful memories, the songs she loved, the smells that remind you of her. Continue to be the man she loved and was proud of and one day you will see her on the other side. God bless you. Donna B. Bertelson

“ Aaron we could never even tell you how sorry we are about your Mom. Justin loved her dearly and always talked highly about her. He told us about her wonderful food she made and always talked about how clean she kept your house. He said she was "cool". I only visited with her a few times and she always talked about how proud she was of you. I could tell she loved you dearly. She raised a very fine son, too. Love ya!
