“ *This was our dance night with Grandma and Grandpa when I went to visit Mark. We made our own night and drank soda like crazy and acted as if it was whiskey* ”

“ *Celia came to our home twice in Bigfork MT. She loved tending to our garden when we were traveling with Lesli at her side. Celia and Lesli took care of Samantha too, our perfect rescue dog. They had a special bond. The last time she was here was with her husband Ron for a summer BBQ with Lesli and Patrick (who she thought was a shining star). We will miss you Celia but you will always be in our heart!* ”
