

## Connie DeMasi

May 30, 1925 - December 20, 2022

Connie DeMasi, beloved wife, companion, mother, grandmother, snappy dresser and accomplished traveler, died peacefully on December 20, 2022.

She was happily married to Frank for 57 years, until he passed in 2003. They had 2 girls, Lisa and Paula . She has 2 lovely granddaughters Emily and Olivia and a son in law- Dale, all of whom she loved tremendously.

She could type faster than anyone I have ever seen. She was an incredible office manager and spent over 10 years running a DEA office on the Island of Cyprus. During that time, she traveled extensively to Egypt and nearby yet far flung locations. She had an insatiable appetite for books and adventures, An accomplished artist with exquisite taste, she had a life-long love affair with the arts. Without spending a fortune on clothes, she was usually the most stylish person in the room. She loved hats, boots, trench coats and large dark sunglasses. She looked and acted 20 years younger than her age. She enjoyed MCT and was member of The Maverick Players. There, she formed lasting relationships. Connie loved socializing with family and friends.

Dr. Norman Gould became her devoted companion and soul mate. They loved each other and traveled extensively. They volunteered as ushers for Wagner Noel productions, and enjoyed going out to eat and socializing. One love of her life was Diego, the parrot. They were an inseparable pair for many years.

She also loved her many cats , grand-cats and grand-dogs. lived a long and fullife. She loved and was loved by many. She will be greatly missed.

Connie would like to thank the people who loved and supported Connie on this journey: Ashley her beloved angel, the Geniva Hospice, especially Lori and Tammy her nurse, and Connies close friends, Julia and Don Eckerty.

“ Lisa,  
My heart and prayers are with you, your sister and the family.  
I pray God gives you all the comfort and peace that only He can  
give at such a time as this. I know there are no words that can be  
said to ease the pain you're all feeling. But please know that you are  
being prayed for and thought of daily.  
I remember when I met your mom at the Wagner Noel. She was  
everything as described...beautiful and so very stylish. I will always  
remember her quick wit, as well.  
Love you Lisa ❤️
