“ Since the day I met Raul , I liked him and was happy for my mother. I was young and foolish but he never judged me. “Your too smart Josh to be doing what your doing “ he said . So I changed for the better of my family. Raul was like a Father to me. Always gave me good advice and help if I needed it. And in return I did the same . Last year he told me when we were at his shop. “ Man Josh I’m Proud of you, you accomplished so much at at young age and your nothing like when I met you. You’re one of the hardest workers I’ve ever seen. “Those words will forever keep me going . I’m gonna miss him so much . Raul was a Good Man and I Know Gods will is Gods Will. Raul loved my children and they loved him and called him grandpa. I hate that my baby son Adonai who Raul just Loved with everything will not grow up knowing more of Raul.”Little Josh “ he called him. Heaven is much more Beautiful place now that He is Home where we all truly belong. This World is a Real Cruel place and Everything you love it just takes it away. I hope i deserve to go to Heaven so I can see Raul again someday. I can’t wait to hear “ A Que pa Ho Josh “. I Love you Raul and I’ll never forget you. Rest in Peace I’ll see you on the other side . ❤️🙏👊
