“ One year for my birthday, she brought me notebooks with horses on them and a horse bracelet. She was such a sweet woman.

“ Ms. Jean has been a close friend of the family for quite a few years now. She worked with my grandmother and RCDC here in pecos. She began joining our family for our yearly "Christmas on the pecos" every year in Carlsbad. Then she began joining us every year for thanksgiving and Christmas dinners. For the last year or two she was running my grandparents antique car museum here in pecos. A great person and friend was taken from us, so suddenly. She will be dearly missed. We love you Jean.

Love, jenifer and the Brookshire family.
