“ *Thank you to all of Crysta's friends who shared your memories and who shared themselves during these past weeks, You gave our family comfort and you gave her boys a wonderful gift of seeing how others see their kind and giving Mom.*

Thank you also for all the beautiful flowers. So many beautiful flowers were received from you that they overflowed to the outer part of the service chapel. A testament of your love and thoughts of our Crysta.

*With our deepest gratitude, we thank you

Cris, I was saddened to hear about the loss of your daughter, Crysta. I can't imagine your heartbreak. May God comfort you and your family during this difficult time. I remember seeing her as a little girl when I would visit you. She was a pretty girl and I see that she grew up to be a beautiful woman and mother. By the way, this is your old high school friend... Virginia Bustos (now Tijerina). We may have lost touch over the years, but I still think of you and remember our good times.

Cris, I'm still in shock & I can't imagine how broken you feel. Crysta & I had spoken just a couple of weeks ago. She was one of a kind! I will miss her terribly. She was so proud of her handsome boys! You, Agustin, sons & family are in my thoughts & prayers for comfort & peace. God bless!

“ *My dear friend, Crysta! I will miss your head nod, followed by "What's Up, Girlie!" and that huge smile. The countless conversations and laughs we had about our children. The confused look you had on your face every time you mentioned how you just couldn't understand why either of your boys hadn't asked my daughter out. But Girlie, I will never forget how you, and only you, could rock those stilettos while working our affidavit lines! I'm thankful for the short conversation we had not long ago. You bragged about your boys and how proud you were of them. You said, at least I did something right... Girlie, you did many things right, including your boys. You've made a lasting impression on so many. Fly High amiga. You will be truly missed!*

“ In loving memory of Crysta Leigh Cervantes, My sweet Goddaughter Crysta. I will always cherish the years we knew & worked together. Our picnic lunches, the errands we ran in a rush because we only had an hour, & the after work get togethers. Those will always be memorable. Our conversation a few weeks ago will never be forgotten. They definitely broke the mold when you were born. You will be missed. Thoughts & prayers are with your sons, Jesse, & family during this difficult time. Love you!

“ Crysta was part of our baseball family. Our boys began playing on the same travel team for many years and she was such a sweet person. She would text me to get updates on the games that she couldn't make and was always cheering for the team. She always had gum in her purse for my granddaughter so she nicknamed her the gum lady 😊. You will truly be missed girlie!

“ I could never walk by your office (sometimes more than once a day) and you Not, nod your head upward, with a slight tilt to the right, while saying (in your chola voice 😊) BROOK-EERRRR... SUP GIRL, followed by your smile.

And then I'd respond (in my chola voice 😊) QUE ONDA CRYSTA, with the same gesture, and then we'd just laugh and continue on with our day.

It never failed; as long as you were sitting there at your desk and in your chair, we would say it to each other every time!

We'd share some occasional small talk and then get back to the grind again.

I'm going to miss seeing my "chola" and sharing our greetings with one other.

I'll always look over at your desk, expecting to hear you greet me.

One day, we'll be able to share our greetings again, but for now, I'll just keep smiling, thank God for allowing me to have borrowed you through friendship, and for giving me some time to have memories with you.

Even though they were small, the impact they left behind were huge!

Shine Bright in Heaven as you did here on Earth.

“ *Crysta and I were coworkers. She could absolutely make me laugh at any given time. Especially when I seemed to always step around any corner at any given time and scare her. She jumped and yelled at me for scaring her. She loved to laugh and loved to talk about how proud she was of her boys. You will bot ever meet a more proud momma. Crysta there will be a void in the office that cannot be filled. Many prayers for the biys and the rest of the family. You will definitely be missed friend.*

“ Oh my sweet Crysta, I will miss you. When I started working for ECISD, Crysta befriended me the first minute I met her, Crysta was a joy to work with, and loved by so many. She cherished her boys so much, I know her lasting love will help them through this time. Rest In Peace Beautiful Crysta

“ I had the honor to work with Crysta at ECISD, and I am so thankful I was blessed to know her. She always knew how to make me smile, even on the bad days and she gave the best hugs. She treated me like a sister from the first day I started working for ECISD and she loved me and my boys unconditionally. She always said how much my boys reminded her of her handsome boys. Crysta had the biggest heart. When I spent time with her, I was either smiling or laughing, she always knew just what to say... and she always had the best candy stash to raid. You will be deeply missed. I love you so much Crysta.

“ It was a pleasure working with Crysta. When I first started with ECISD , Crysta was so welcoming. She showed me the ropes and I was able to come to her with questions. She always made me laugh and she was always so thoughtful . I am heartbroken from her passing and I would like to give my condolences to her family, especially her boys. She was always so proud of them. Rest in peace Crysta. □
