“ Truly, cant see Danny in my mind's eye without a smile! Have soo many special memories of him and Linda in our lives. (with Pockets sucking the watermelon off the rind)!! and stading in the living room in a circle praying! Woke us up with coffee in bed!! instead of banging pots and pans like Todd always did! we will cherish such sweet memories...just saddens my heart that we didn't make the time to have more! We love you Linda and are here for you if you need us.

“ When I first met Danny, I was a driver for DRM delivering to a job site on his account. Knowing I would be stuck onsite thru lunch, Fanny brout lunch out to me as a way of taking care of me. He didn't have to do that. Just the kind of man he was. Rest easy Danny. You will be missed my friend.

“ This was an awesome man of God, with a heart for the lost. He was always helping us in children's ministries and when he would hug you it just felt like The extension of Gods arms. And when you came to our church and he welcomed you, you were no stranger you were family. He has now gone to his reward, we will miss him
