*Uncle Danny was always willing to laugh with you and have a good time. He was forever quick to share his talent on the guitar with joy in his heart. I remember going to the California State fair and seeing him on stage playing with the band. He was all dressed up and looking so handsome. His talent was on display and he was shining. Just one of the many memories that will keep him in my heart forever.*

*Thank you for being there for us. I love this picture. It's 3 of my favorite people in the world. He is playing in guitar 🎸 like before in the Angel Choir and has a new talent singing as well. I miss his jokes and I miss reading the Bible with him. I will see him again someday. Thank you my California family.*

*I could be wrong but I think Danny was our lead guitarist in my band in Augsburg, Germany, in 1965-66. He had a white guitar with a dice on the selector switch. He was an amazing guitarist. I need to know if this is the Danny Cardenas that I knew.*

“ *Memory I have of Danny is how much he loved his Florence and fur baby Julia! How he new his bible! How he could play that guitar! He told me of growing up playing guitar in clubs with his dad, his time in the military, his experiences working at the boys school. How much he missed his trips to Estes park with Florence. I'll miss seeing him and Florence and Julia cruising up and around Raton in their Eclipse! I know he missed that too. We'll miss his sense of humor, he was so funny cool! Thanks for being a friend and a special part of our little town of Raton Danny we will miss you! God bless you on your journey home....*

*Thank you Rose for sharing your memories of my dad. He talked about his trip to Estes Park with Florence several times to us in the last 5 months we were blessed to have him. He spoke often of his little partner Julia as well. He was one of the best guitar players in my eyes. Now he is playing his guitar 🎸 in the Angels Choir as well as singing with his new voice. I will see him again someday.*

*Thank you for your kind words,  
Israel Cardenas*

*I'm so sorry to hear about Mr. Cardenas I helped him and Florence, & JULIA! through the senior center, he missed his florence dearly after she passed. Both were such wonderful, precious people, a wonderful couple. He loved God & them so much and his music and how he could play! He always made me laugh, he was willing to teach me to play guitar, he was just an awesome person, we will miss him but he is in a much better place, back with his florence and in his kingdom of heaven! Thanks Danny for being so special! Go be happy, healthy, and rejoice! My condolences to his family, may God restore peace to your hearts soon...*

*Thank you so much David Cole for putting this slide show together for all of dad's family and friends. He was adored by an entire community of home town friends in Raton NM and by many more that are unknown to us as he was in the US Army and photos show us he had some close friends there as well. He took great care of his ill wife whom he lost 4 years ago and missed her dearly. His life was never the same thereafter. He is with her now and it gives us peace to know he is reunited with her as well as the great almighty God. We will be so fortunate to see him again someday. He is being missed enormously by his son Israel whom heart is utterly completely broken as well as mine. We love you dad ❤️*
