*Nancy, my heart is broken by the loss of Darin. I had the privilege of watching him at the Tech clinic grow from a little boy into a fine young man. I am going to miss him. You and your family are in my prayers.

Our family grieves with you over the loss of Darin whom I first had the pleasure of meeting in Lamaze class and rekindled that relationship in kindergarten at Odessa Christian School. He truly was a friend to all with a smile and sense of humor that touched the world. We will all miss him, but will never forget his sweet spirit. Love and prayers to your family.
