“ I've known Darrell for many decades. What an interesting and well read guy. It seemed that if I ran into him, he was reading a book. He had highlighter markers with him would mark passages and statements that he wanted to refer back to. He was very well versed in any number of topics and seemed to remember everything he had read. It was always entertaining to visit with him. He was always smiling, always positive and happy. I know he loved his family and always spoke positively about them. I am saddened at his passing but know he is with the Lord. Our condolences to all the Wells family. He was a good man!

“ I had the honor of working with Darrell for many years at the City of Odessa Risk Management. He gave me the best job I ever had. He was a visionary and a leader in providing Healthcare for the city employees. He'll be missed. Who ever takes his place will have big shoes to fill. Rest in peace Darrell. I'm so glad I got to visit with him the last time I was in Odessa. To Nancy, his children, grandchild and his many friends and associates my deepest condolences.
