

David Carol Lambright

February 8, 1948 - August 20, 2021

David Carol Lambright age 73, of Odessa passed away in his home on August 20, 2021 surrounded by his family.

He was born to the late Granville (Shortie) Lambright and Mary Lou Lambright on February 8, 1948 in Jacksonville Texas. He is preceded in death by his wife of 43 years Robbie Lynn Lambright, brother Roland Lambright, sisters Audrey Neal and Betty Adcock.

Left to cherish his memory is his daughters Carrol and husband Richard Adcock, Terri and husband Steve Notgrass, Loretta and husband Josh Brown all from Odessa. 6 grandchildren and 1 great granddaughter. Grandsons Justin (Bubba) and wife Nicole Adcock, Will Adcock and Aubrey Daniels, Matthew Notgrass, Joshua and Kain Brown. Granddaughter Stacie and husband Logan Parker. Great granddaughter Pepper Adcock. Sisters Hazel and husband Jimmy Elder, Shirley McKinney, Brother, Michael (Bo) Lambright, sister-in-law Margaret Lambright and Numerous in-laws, nieces, and nephews.

Dad had many nicknames such as big D from the big O, Dabo, Pinocchio, Mousy. His favorite thing to do was to spend time with his grandchildren. He would tell his grandsons stories and jokes, he always made sure they had some walking around money in their pocket. He would tell his granddaughter Stacie (Tootie Fruity) that she gets money just because she is pretty. He loved to go fishing and spending time at the Casinos. One of his happiest moments was when his great grandbaby Pepper was born and even happier when she

came to visit, he would sit and hold her and not share her with anyone else. He made sure to tell everyone he met about his new grandbaby and he always let them know that she had his eyes.

Dad was proud to serve in the military. While in the military he received the National Service Medal, Vietnam Service Medal and 2 Bronze Service Stars, Republic of Vietnam Campaign Medal. When he left the military, he came back to West Texas and was a mechanic for many different companies in Odessa. In his younger years he was known to build race cars and motorcycles. He could tell you what was wrong with just about anything that had an engine just by listening.

We are saddened he is gone, but we are happy he is no longer suffering. We will always love you.
