“ *One day I was delivering ice to a Kent kwik by h.e.b in Midland during the summer of 2017....while I was loading 20 pound bags of ice into a merchandiser I heard someone yell "u got a COOL job!" ...I stopped and looked around and didn't see anyone looking my direction...so I kept stocking the ice..then I heard.."can u work a lil faster!?" I looked up and I was like what the heck and I seen David laughing in a red pick up parked in front of the store waiting for penny to come back out. I walked up and he said hi and how I was. He is a character.*
