“ *Dear Betty Lynn and Family:*

I am so very sorry for your loss. David has been my close friend since high school days in Odessa. You and the children should remember all the good times that we shared. David was "one of a kind" and it is now up to us to continue telling all of the wonderful stories about David Stice. David was a man who would never quit -- from his Golden Gloves boxing days to his tinkering with many inventions which are now subject to patent. I already miss my friend. Sue and I have you in our thoughts and prayers.
