“Gone but never forgotten. I never thought it would be goodbye before you got to even hug or see the twins. I have not told my older children that you would no longer be here on thier graduation days. You were the only father I knew and it hurts me that you are not here to wish my big girls hbd me nor my son hbd, the twins hbd for the first time. I love you Taylor be blessed King. God was ready but selfishly we, your kids were not.
