“ *My favorite memory of Desiree was going salsa dancing in the hot summer in the evening it was hot and we were dancing the night away. Was to cool. When I was just having the hardest time adjusting in Texas she always sympathized and made me smile.*

Our Dearest Desiree,

All the times you spent at 1 Martin Drive, hanging out with us, will remain a constant memory. Your smile, innocence, and of course we can't forget those blonde moments, will be what we cherish. We are sorry that you are no longer here with us but you have fought your fight. May Jehovah keep you in His memory until he blesses us with your smile again. In the meantime, we will hold your place right here beside us. Our hearts are broken but you are now in the best place anyone can be, Jehovah's hands. We send our love and prayers to your family because they miss you so much. You'll be back!

Mom Squared and your brothers and sisters. ❤️
