

Donald Clyde Kinnison

June 23, 1935 - December 28, 2015

Donald Clyde Kinnison, 80, passed from this life, December 28, 2015. He was born to the late Clyde Randolph and Gladys Mae Kinnison, June 23, 1935 in Houston, Texas.

Donald was a proud member of the Masonic Lodge 1294, a membership of which he greatly valued and was dear to his heart. He was an avid musician, loved to play the steel guitar and played with local bands throughout the years. He was a master gardner, becoming an honorary lifetime member of the Master Gardeners. He loved Country music, horse races in Fredericksburg, Texas and, according to his brother, was a “beginner” fisherman. Above all, he loved his family being especially partial to his grandchildren, great grandchildren and great-great grandchild. His presence and music will be greatly missed by those who knew and loved him.

He is survived by his wife of thirty-four years, Peggy Kinnison; daughters, Jay Jaye Roberts of Horshoe Bay, Texas, Keely Odell of Dripping Springs, Texas and Donna Sue Kinnison of Midland, Texas; brother, Phillip Michel (P.M.) Kinnison of Nixon, Texas; sister, Juanita Marie Reed of Wimberly, Texas; eight grandchildren, seventeen great-grandchildren and one great-great grandchild.

In lieu of florals, the family requests that a donation be made to: Texas Scottish Rite Hospital for Children, 2222 Welborn St., Dallas, Texas, 75219.

A memorial service will be held, Thursday, December 31, 2015 at 2:00 p.m. at American Heritage Chapel. Arrangements are entrusted to American Heritage Funeral Home, Cemetery and Crematory, 4100 N FM 1788, Midland, Texas.

“ I am so sorry to hear the sad news :(it was a blessing to get to care for and get to know him for the short time that I did. I'll never forget catching him trying to sneak a whiskey while in my care!! He was awnry but such a sweetheart and so funny!! I pray that the family all make it through this hard loss and smile because he isn't in pain anymore and is with God. Sending lots of love and prayers...from the Elliotts
