“ David, it was always so wonderful to see your great smile and your friendly attitude. It was a pleasure working with you! You were a wonderful boss in the apartment business and one of the best pest control companies in town. I was sad to hear that you had gone, but I'm glad you're in heaven because I know there's no place you would rather be than in the arms of all your beautiful children. I think everybody knew how much you missed each and every one of them. I'm sure they were waiting for you. This is not goodbye just see you again soon. Say hi to my Mom and Dad for me.
