“ Gil was my little brothers best friend in school. Wherever Eric was you knew that Gilbert, Earl and Robert were close behind. He was the sweetest and most respectful kid. My mother did not like most of Eric's friends but she and I loved him so much. We are all better for having known him. Eric passed away a little over 3 years ago and went the same way Gilbert did which, means they are finally together again. God speed Gil my heart will take a while to heal. Much love to his family.
