“ Brother ,
For a brief moment in time I felt lost, I knew you were across town or I would see you and Laura at the store shopping from my office window. I took it for granted that I would see you at the store shopping and for another moment sadness set in but then Papa (Jesus) spoke to my heart and said
"you will see him again", so rejoice for he is well! The sadness faded and I praised king Jesus as I knew this is not goodbye but see you later!
Love you brother to the cross and back !
