Grayson was born with right congenital diaphragmatic hernia, a giant omphalocele, and scoliosis. Despite everything he was born with, he was a very happy and loving baby. Grayson may have not known, but his strength brought hope, faith and lots of love to everyone around him. Grayson will be forever missed, but never forgotten . We find comfort in knowing that we will see him again. 2 Corinthians 5:8, "To be absent from the body, is to be present with our Lord". Smile away, Grayson, you're with Jesus!
