“ Hope was my first companion and I was hers. We had some good times and some bad times. Didn't matter what was going on in her life she kept love in her heart, and faith in God.

*I remember Hope as a gracious, helpful, and caring person. We worked together at CDI Midland Head Start before. When she knew I always ride the bus early to go to work, she offered to pick me up every morning, as she was living in an apartment near our place during that time.
Hope has kept the faith in the Lord even in the midst of her suffering.*
