“ *Just as much as I was close to my grandma I was just as close to you the many trips out of town I took with you both or even just the many times we went to go run errands was a memory well made I will always remember the many times you told me “ Y usted a dónde tan peinada”. You will forever always live in my heart but I know you are happy and rejoicing with our lord & loved ones that are no longer with us today. I love you tia may you rest in everlasting peace.*
