“*Ida, missing you isn't easy. Seeing you're son hurt breaks my heart. I know you are in heaven with Lynn and finally getting to hold your baby Scott.*

*I just want to thank you for being who you are and for teaching me many things. I've been your friend nearly 30 years and daughter-in-law 27. I always found it funny that people always thought we were mother and daughter. We both had some chuckles from that.*

*Please keep watching over us and we will see you again one sweet day.*

*I love you.*
