“ My dearest friend..i miss you so much already..you were always there for me, and that's something I will never forget. Yes,we kind of drifted but every time I knocked on your door, you received me with a smile. We shared so many good times and bad,but the good times..well there were plenty and we made each visit count. I'm glad we got together and had dinner..as usual,we talked about everything..and I will never forget what a good friend I had in you. I love you my friend..heck since high school at Ector High in 73 we became friends..long time, but I will always remember you my friend.."camaradas por vida"

“ Ilda, I'm so sorry to hear of your passing. You were a very kind and sweet friend! The smile I see in your obituary is the smile you always had when we were back at Ector High school and continued to have till the last time I talked and saw you a couple of years ago. May you rest in peace with the Lord and soar high with the rest of the Angels up in Heaven. Always your friend, Molly Gallegos Marin. Mary, I give my condolences to you and all your family.

My best friend Alicia Ceballos introduced us, she was always happy and made me laugh when I would see Her! I am very sad for her family and especially for Alicia! Alicia I know you loved her very much! But you made her happy and you were always there for her! God is watching over her now she is free from her pain! I love you both very much and will miss her!

“ I Have Many Many Memories with Ilda. She certainly added color and enriched my life. True friendship. True charity . Truth no matter what whether I wanted to hear it or not. I loved her honesty. I will miss the ability to confide in her completely , honestly, without fear of judgement. And likewise to have her confidence when she needed me. We learned so much about GOD together. I will miss the ability to have her pray for me and I for her!! It's hard knowing that I 'll never see her again while I still live on this earth. IT FN SUX!!!! But I will see her again because she is alive and well and perfect and I am down right jealous not to be there too! I miss You Ilda... I always always will.
