“ *SAFE IN MY FATHER'S ARMS. 1987 KS*

*Mommy don't you cry now
Daddy that means you too
Life has just begun for me
Wish I could share it all with you
If you could see what I see
And know the things I know
His light shines oh bright here
No darkness do I know
Cause I'm safe, safe, safe
In my Father's arms.
My Father's house is gorgeous
Lots of puppy dogs and trees
The food here oh so yummy
Heavenly pimienta cheese
The music is so happy
I haven't shed a tear
And my best friend is named JESUS
In Him I have no fear
Cause I safe, safe, safe
Safe in my Father's arms
I asked to write this letter
Please don't be sad for me
For when you get to heaven
We'll have all eternity
I'm really whole and really well
And one day you will see
That the Father loves us all so big
When He brings you home to me
But til then I'm safe oh yes so safe so safe
Safe.... in.... my Father's arms.
Love to you all and God bless you big ❤️*
