“ *The first time I met Iva was when Bobby brought me to Snyder to meet his family. I was a nervous wreck. Did not want to embarrass Bobby or do anything that would make them think I was some kind of dumb bunny.*

She was gracious and let me stay at her home. Janice was a little bitty girl.

Iva was so cute. She was just a little woman, but smart and a worked hard always.

I never met someone who went through so much and kept going.

She will be missed. I loved her
