“ *It is with a heavy heart I learn of the passing of my step-mom. May she rest in peace and may Ruby and Sherry find comfort in the fact that she is no longer in pain.*

“ *What becomes of the broken hearted only time will tell  
life is here one minute but gone the next  
so love those that take the time to be apart of you  
because when they go they leave a part of them with you  
My life has been made up from the parts of others that have  
departed  
but we take on their best parts  
their humility. humour. intelligence, compassion.their love.  
hearts heal in time souls live on for eternity  
and true soulmates will live out an eternity together  
Jacquelyn was My life My Love My heart and My soul  
till we meet again in a better life xox*

“ I’ve known Jacque since she was a kid, most of her life. She was family to us. No words can begin to describe Jacque. To know her, was to love her. No matter her circumstances, she always worried about others. That sweet sweet smile, and loving spirit, I’ll never forget. We visited her in ICU recently, and the pain was unbearable. She was asking if we had trouble finding a place to park. That was Jacque. Always thinking of others.

Ruby, sweet Ruby. My heart and love go out to you and the family. I can’t even express how I feel. I hope you know that Jacque didn’t just love you, she adored you. When I’d ask her how you were doing, her face would light up. She loved talking about you. Never doubt her love for you, or her family. My heart is hurting, But I know that God put her in our lives as a gift. Now, in Paradise, and safe in the arms of Jesus.

So Jacque, fly high beautiful. If you can, give Henry, Daddy, and momma, a big hug. They all loved you too. I know you’ll see them. You’ll always be in our hearts. We love you and we’ll miss you.

Until We Meet Again,

Judy Alvarez
