“ It's hard to believe that Janice is no longer with us. She was a kind person and I will miss her. She always had a fun spirit. We spent a lot of time together over the years. We would go to hockey games , concerts, drink coffee and chitchat. She was so easy to talk to about anything. She loved her Jackolopes and rock and roll. There is a hole in our family without her.

“ 60 years of memories of my baby sister, they will always be a part of my heart. Rest peacefully, sweet Janice, rest peacefully...finally.

“ I still can't believe we really have to say goodbye to Janice. I remember being young& one of my very favorite memories was riding in a big car full of Craigs, driving around Windcrest, looking at Christmas lights, all singing carols at the tops of our lungs. How nice is is to recall the acoustics in the station wagon, the voices that all sounded so much alike, just being together without any other cares in the world. I've heard the family tell stories about Janice as a toddler, making her rounds up & down the street, visiting the neighbors all on her own. She was just out having a good visit, smiling & making friends with everyone. She's really never stopped.

“ It’s not going to be easy to say goodbye to the youngest of us so I will try to hold on to 60 years of memories. The time she wanted to be a beautician and cut & ‘styled’ her own hair, when she showed us that if we sprayed furniture polish on the floor we could skate with our socks on. She had such an imagination & really just wanted to find new ways to have fun. 😊 when we were grown she could figure out things that made me say ‘duh’ how come I didn’t see that? Janice left a lasting impression on so many people & will missed by all who knew her. I know mama, daddy & PJ are waiting for her with open arms, so baby sister, run to them and hold on tight. Much love,
Donna
