“ *My Mom was one of the most spiritual people I have known. She taught me by example to love others, opened my mind to many things, and always led by example.*

*Although many of her beliefs were controversial, she never wavered in her steadfastness to them. She helped many other like-minded people in their spiritual journey. I know she will be rewarded for her faith and pray that this is merely a step in her evolution. I hope she now has the answers that she searched for for so long.*

*Mom, I know you were lonely in the latter years of your life, as you outlived most of your friends. It makes me glad to know you are together with Dad, Nannie and Papa, Grandmother, Aunt Bea, Jennie Winkler, Flora Banks, Joyce, and so many others who loved you. And I hope that you can finally see Kidd again.*

*Maybe now you can get some answers from Brooks and Peter as well.*

*I am so sorry circumstances prevented me from being there today, but I will see you soon enough. Thanks for the always steadfast love you showered me with my whole life.*

*Your loving son,*

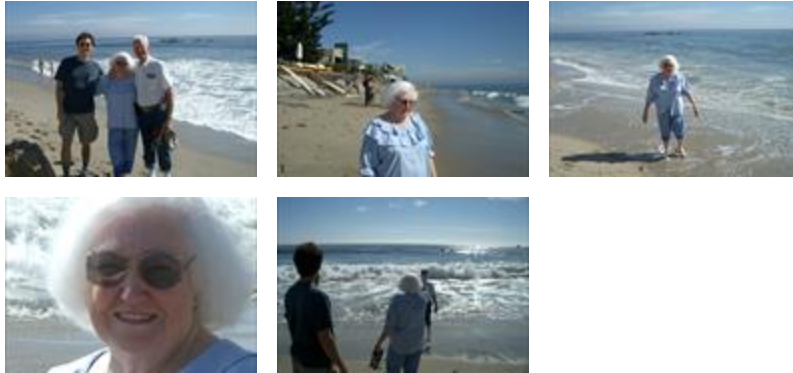

*Craig*
